*Office Memorandum* • UNITED STATES GOVERNMENT

TO : Assistant Deputy Director (Admin) -  
Inspection and Security

FROM : General Counsel

DATE: 21 July 1951

SUBJECT: [REDACTED] STATOTHR

1. The attached letter was sent to me by General Donovan with the comment that if there are no security or derogatory problems, he might be of interest, but General Donovan has no way of knowing whether he is on the level or not. I imagine the letter was sent to General Donovan because of the former connection with OSS.

2. I know nothing about the case and you may want to make a quick check to see if there is any chance we might have use for him if there are no derogatory elements in the case.
